

The background of the image is a light gray field filled with a pattern of green circles of varying sizes. These circles are arranged in a way that they form a large, abstract shape resembling a stylized planet or a cluster of celestial bodies. The circles are more densely packed in some areas and more sparse in others, creating a sense of depth and movement. In the lower-left corner, there are several thin, dark blue curved lines that sweep across the bottom of the image, adding a dynamic element to the composition.
