

PRESS RELEASE

**PLANETEL ATTENDS  
THE 9TH ANNUAL POLYTEMS HIR ITALIAN DAY IN FRANKFURT  
THE MID-SMALL COMPANIES OPPORTUNITY**

**Treviolo (Bergamo), 21 January 2025** – Planetel S.p.A., (“**Planetel**” or the “**Company**”), the parent company of the group of the same name operating nationwide in the telecommunications sector, listed on **Euronext Growth Milan**, the multilateral trading system organised and run by **Borsa Italiana S.p.A.**, announces that on 23 January it will be attending the **9th Annual Polytems Hir Italian day in Frankfurt**, the Equity Investor Conference for Italian small and medium cap companies.

The international conference, organised by **POLYTEMS HIR** in partnership with **ALANTRA**, takes place in Frankfurt, one of mainland Europe’s most important financial centres.

A series of one-to-one and group meetings are planned to provide German investors with the chance to get to know selected dynamic, competitive Italian SMEs and assess financial results and future prospects.

The meetings will be attended by **Bruno Pianetti**, Chairman and CEO, and **Mirko Mare**, Managing Director of PLANETEL SPA.

Bruno Pianetti, Chairman of PLANETEL SPA, states: *“We are delighted to be taking part for the second time in the Italian Day in Frankfurt, which enables us to give continuity to the dialogue already established with the German financial market. It will be an opportunity to meet strategic international investors, including high-profile investment funds, banks, family offices, analysts and asset management firms, and inform them regarding our Group’s growth prospects. We’re very happy with how our business is progressing, and this new opportunity for dialogue will help to further increase Planetel’s visibility on the international financial markets.”*

*Holding company of the Group of the same name that offers telecommunication services at national level, **Planetel S.p.A.** has developed a proprietary fibre optic network for the ultra-broadband connectivity of about 282 municipalities and provides TLC/IT services to over 53,004 customers in Lombardy, Veneto and Campania, through a multi-channel approach. Among the first Italian Internet Service Providers (ISP and WISP) to gradually develop its position in the telecommunication and system integration market, the company has been able to stand out on the territory as a single player offering integrated digital solutions, ASP / Cloud services and other IT solutions. Planetel, formerly a national phone operator, can now provide Business, Wholesale and Residential customers with fibre optic network connections, with the most advanced ultra-broadband connectivity and integrated communication solutions with FTTH-FTTP (Fibre to the Home – Fibre to the Premises) network architectures; its offer covers the entire value chain of ICT services that allows companies to accelerate their digitization process and time-to-market. Planetel's primary assets include a fibre optic network of approximately 3,226 Km. – CLOUD infrastructure in 6 Datacentres – 127 Planetel Points in 106 Municipalities – 1,224 Cabinets on the ground, etc.*

*Planetel's main goal is the strategic development of an ultra high-speed proprietary Backbone – up to 1.4Tb/s – which will allow more stable, faster and more secure connections with a guarantee of greater continuity of service for its customers.*
