

**PLANETEL PARTICIPATES
AT THE ROADSHOW ORGANISED BY ALANTRA
TO MEET ITALIAN AND INTERNATIONAL INVESTORS**

Treviolo (BG), 23 April 2024 – Planetel S.p.A., (the “Company” or “Planetel”), parent company of the group of the same name operating nationwide in the telecommunications sector, listed on the **Euronext Growth Milan** multilateral trading system organised and run by **Borsa Italiana S.p.A.**, announces that on 23 and 24 April it will participate in the two-day roadshow organised by Alantra, the company's corporate broker.

Present at the roadshow will be Bruno Pianetti, Chairman and CEO, and Mirko Mare Managing Director of PLANETEL SPA.

A busy series of one-to-one and group meetings were organised to offer Italian and international investors the opportunity to meet Planetel's top management, assess the company's financial results and future prospects.

Bruno Pianetti, Chairman of PLANETEL SPA states: *"We are delighted to participate in the roadshow organised for us by Alantra and to share with the financial community our excellent FY 2023 results and discuss with them our recent acquisition. This event represents yet another opportunity to give continuity to the dialogue already in place with the Italian and international financial market represented by global investors and to contribute to further increase PLANETEL's visibility and our parterre of potential investors."*

This press release is available from Borsa Italiana S.p.A., from the company's registered office and in the *Investors/Investor Relations/Price sensitive press releases* section of the website www.planetel.it.

For its compulsory reporting, Planetel uses the eMarket SDIR circuit managed by Teleborsa S.r.l., with registered office at Piazza Priscilla 4, Rome.

*Holding company of the Group of the same name that offers telecommunication services at national level, **Planetel S.p.A.** has developed a proprietary fibre optic network for the ultra-broadband connectivity of about 274 municipalities and provides TLC/IT services to over 51,120 customers in Lombardy, Veneto and Campania, through a multi-channel approach. Among the first Italian Internet Service Providers (ISP and WISP) to gradually develop its position in the telecommunication and system integration market, the company has been able to stand out on the territory as a single player offering integrated digital solutions, ASP / Cloud services and other IT solutions. Planetel, formerly a national phone operator, can now provide Business, Wholesale and Residential customers with fibre optic network connections, with the most advanced ultra-broadband connectivity and integrated communication solutions with FTTH-FTTP (Fibre to the Home – Fibre to the Premises) network architectures; its offer covers the entire value chain of ICT services that allows companies to accelerate their digitization process and time-to-market. Planetel's primary assets include a fibre optic network of approximately 3,113 Km. – CLOUD infrastructure in 4 Datacentres – 127 Planetel Points in 106 Municipalities – 1,220 Cabinets on the ground, etc.*

Planetel's main goal is the strategic development of a high-speed Backbone – up to 1.4Tb/s proprietary backbone – which will allow more stable, faster and more secure connections with a guarantee of greater continuity of service for its customers.
